Ana Karen Delgado

Front-end Developer

Currently looking for an opportunity to apply my knowledge and keep learning React Js, I recently took a course online of Front Development with React, and I would love to work for a company where I can use what I learned and grow professionally.
I am a Front-End Developer with 2.5 years of experience in structuring, maintaining, designing and implementing dynamic, user-friendly websites with HTML5, JavaScript, jQuery, CSS, Bootstrap, and CMS like WordPress and Magento.
